DEDICATION

He has only the desire to see the most accomplished by each individual that is possible, to help each student make the most of himself.

He seems to always have time to listen to our problems and to lead us in ways of integrity and nobility of character.

By his unselfish dedication to building school spirit and moulding lives of others in his understanding way, he has gained our love and respect.

Although there is no way we could ever repay him for his many wonderful deeds, we want him to know how very much we really appreciate his many acts of kindness, and how wonderful we think he is!

A SALUTE TO SENIORS '68

With the coming of May, 1968, a group of young people will leave EHS to go their separate ways. Since entering the freshman class four years ago, the graduates of '68 have experienced many new and exciting high school adventures.

As freshmen and sophomores the class worked together in sports and other activities, striving to win the respect of the idolized upperclassmen.

As juniors, they made history at EHS when they revived the old custom of presenting a class play. After solving innumerable problems, they produced a successful three-act comedy entitled, "Butter on the Bacon." Early in the spring everyone was thrilled at the sight of his new class ring! "Some Enchanted Evening" was the theme for the Junior-Senior prom, a memorable event for all.

At last, upon returning to EHS after summer vacation, they were seniors! This last year has sped by. Seniors have worked diligently to sell magazines for their trip to Washington. Graduation is virtually upon them. When it is over, they will have come to a parting of the way. The gay, carefree years will be gone. They will be faced with new and bigger responsibilities. But the challenge these new experiences will bring will make the parting less melancholy.

A Student Council project, the selling of pom-poms, helped to promote school spirit.

The Student Council is the official organization of student government, whose members are elected by the student body. The aims of our Student Council are to encourage good citizenship, to develop initiative and leadership, to create a feeling of good sportsmanship and school spirit, and to aid in the coordination of student affairs. Some of this year's activities have been the selection of several "Citizens of the Months," the sponsoring of Homecoming activities, the promotion of school spirit through the selling of pom-poms, the decorating of classroom doors at Christmas, and the planning and carrying out of assembly programs.

The Edneyville High Beta Club is a leadership--achievement--service organization whose purpose it is to promote these characteristics throughout the entire student body and to recognize the scholastically-talented students. For the first time this year, the club sponsored a Faculty Tea in appreciation of all administration personnel. Small money-making projects were initiated to finance our charitable act and a scholarship to a senior at graduation. Other projects were the annual Tapping Ceremonies for new members, the Talent Show, and the Senior Tea.

The Faculty Tea sponsored by the Beta Club was held in the Home Economics room.

OBJECTS OF THE KEY CLUB

To develop initiative and leadership.
To provide experience in living and working together.
To serve the school and community.
To cooperate with the school principal.
To prepare for useful citizenship.
To accept and promote the following ideals:

- To give primacy to the human and spiritual, rather than to the material values of life.
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption and application of higher standards in scholarship, sportsmanship, and social contacts.
- To develop by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- To provide a practical means to form enduring friendships, to render unselfish service, and to build better communities.
- To cooperate in creating and maintaining that sound public opinion and high idealism which makes possible the increase of righteousness, justice, patriotism, and good will.

EDNEYVILLE HIGH BLUENOTES

The Bluenotes of Edneyville acquired their name this year but have been an asset to the school for many years. Under the direction of Mrs. Annie Burley, the Bluenotes have performed at assemblies, P.T.A. meetings, and the new Edneyville Post Office dedication. This year they were honored by performing at the county-wide P.T.A. meeting at the Holiday Inn. Their purpose is to create an appreciation for all types of music for each member and all listeners.

At pep rallies, our chorus roused our school spirit by peppy songs and gay spirits.

Three members of the Monogram Club model their new sweaters.

The Monogram Club is something new and different added to Edneyville just this year to salute the athletes of this school. The main purpose of the club is to build character and to promote fellowship among the athletes. The rigid standards of this club make entrance a coveted honor. The Monogram Club made its stand as an active part of Edneyville with its raffling of shotguns, sponsoring dances, and buying sweaters for the members. The Monogram Club has a sincere hope that through the years all athletes will be honored by the continued existence of our club.

Reddy To Rock

Reddy Kilowatt never misses a party. In fact, without him, things would be pretty dull. Think of it: no stereos, televisions, electric guitars or ice cubes.

Thanks to Reddy there are over 160 flameless electric servants that make modern living comfortable, economical and fun. When you have a home of your own, there will probably be even more than that.
